OUR 20TH YEAR

WHOLESALE LIST - FOR THE TRADE ONLY

SPRING AND FALL 1960

Field grown plants dug fresh to order.

We make no guarantee on any plants other than that they are true to name, and of size claimed, and in no case will we be responsible except for the purchase price of the plant.

Prices quoted are net, cash, for material, at the nursery.

NEW AUGUSTA NURSERY IS LOCATED AT 5195 WEST 59th STREET. Drive west on Kessler Boulevard, continuing west on 56th Street at Broadmoor Golf Course, to Moller Road (2nd road west of Big 4 R.R.). Turn north (right) to 59th Street (1st road) and go east (right) to nursery.

ROSES. Potted Hybrid Teas, polyanthas, climbers, etc., available in best varieties about May 10, 1960. Call or write for list.

SPECIALTIES. We are steadily increasing the size, quality, and variety of our specialty line. At this time, we have over forty varieties of flowering crabs and as complete a line of good finished nursery stock as is available in the city. Stock may be selected in advance at no extra cost. Quality stock, properly dug and carefully handled.

This list cancels all previous prices.

We are members of the:

1911-12

1911-12

We invite your inspection of our nursery. Your material will be freshly dug to order, which we believe is an advantage over plants that have been kept in storage. There is a liberal assortment to choose from, suitable for local climate and conditions. All plants are BARE ROOT unless noted B & B.
